

## Making a difference this Christmas

### Research Activity

Your group must decide on the charity it wants to help this Christmas. You must find out:

- a) **Who** the charity helps
- b) **How** the charity helps these people
- c) **What** you can do to help (e.g. promote their appeal by raising awareness/ collecting donations/ organizing an event)

### Making a Difference

Now you know *who* you are helping and *how* you can make a difference, you must prepare your campaign!
